Luminaire Series

Cross-section dimensions:

A SUSPENDED LUMINAIRE THAT WILL INSPIRE YOU

Introducing EXA, a new suspended luminaire that will inspire you. With an elegant and clean design featuring a honeycomb diffuser that evokes the wings of an airplane. Made of extruded aluminum, this architectural grade luminaire features anti-glare technology for incomparable visual comfort. Available in seven colors, this unique and modern luminaire will enhance your décor.

The EXA luminaire provides exceptional lighting quality, ideal for office and condos. It is powered by an integrated 120 V driver with the option of adding ELV or 0-10 V - 120/277 VAC dimmer.

FEATURES

- Ideal for work spaces
- 1832 Lumens delivered
- Antiglare design for optimal visual comfort
- 3 color temperature: 3000 K, 3500 K and 4000 K
- 7 body colors: black and white in a textured matte finish, silver in a matte finish, yellow, blue, green and orange in a semi-gloss finish
- Excellent value for the price

LENGTH

54.33 in, 1380 mm
