

NEXUS

CEILING MOUNT

TYPE:

PROJECT NAME:

SPOTLIGHTS

Various ways of lighting within a single family of luminaires. A combination of focused and diffused light with the advantage of spotlights. Thanks to varied shapes of the luminaires, you can let your imagination run free and create a unique interior.

General and spot lighting. The luminaires will work perfectly at hotels, in art galleries, museums or restaurants, but also residential spaces.

Installation Note:
Fixture includes ∅4" round backplate
